No Mess
No Stress

One Trigger Pull and Your Pet's Mess is Bagged!

- Effortlessly pick up after your pet with one squeeze of a trigger
- Place a bag over the tool and clip on the handles (and load multiple bags at once)
- Position bag over waste target, press down, and pull the trigger. Lock the grip shut, or continue to hold the bag closed with trigger
- Unclip the handles, invert the bag, and tie shut to lock in odors

Other Great Features

- Lightweight aluminum design
- Hook & loop strap hanging feature
- Folds in half for easy carrying
- Self-standing design
- 32" Reach, 19" collapsed length
- Patented design scooper

The Dog-Bag-It is so efficient, it can pick up a dime!
